

HE WOULD WALK FLOOR FOR HOURS

Had Smothering Spells And Could
Hardly Breathe—Suffered
26 Years

"I have been in poor health for twenty-six years, and have tried many different medicines and treatments, but my troubles were not overcome until I commenced taking Tanlac," said C. D. Williamson, who is employed as engineer for the Twin City Pipe Covering Co., and who lives at 1059 Everett Court, St. Paul, Minn., the other day.

"I suffered from stomach trouble and indigestion during all these years," he continued, "and when I commenced taking Tanlac, I had given up all hope of ever finding a medicine that would do me any good. During the past year I took six different treatments, but I didn't get any relief at all. Everything I ate soured on my stomach, and I would be bloated up with gas for hours at a time, and would have the worst sort of cramping spells. Very often this gas would get up into my chest and cause my heart to palpitate so bad that I could hardly get a good breath, and when these spells came on me at night I couldn't lie down, and just had to walk the floor for hours at a time trying to get a good breath. Sometimes my arms and legs would go to sleep and I would have to rub them for a long time before I could use them. I finally got so weak and run down that I had to lose a lot of time from my work."

"One day a friend of mine told me that he knew a man who had suffered exactly as I was, and that Tanlac had brought him around all right. Well, I thought that if it had done that man so much good, it ought to help me, and I commenced taking Tanlac right away. I am glad I took that view of the matter, for my twenty-six years of suffering is a thing of the past now, and I am in better health in every way than I have been for many years. I am completely rid of that stomach trouble and indigestion. I have a fine appetite, and eat just anything I want and I never suffer a particle afterwards. I never have those awful cramping spells now, and my legs and arms do not go to sleep on me like they did. In fact, I am as well and strong as I ever was in my life, and I go to sleep as soon as I hit the bed at night, and am dead to the world until time to get up every morning. I can do as much work as anybody now, but I never lose any time from the job. Yes, sir, Tanlac was a godsend to me, and I say a good word for it every chance I have."

Tanlac is sold in Alliance by F. E. Holsten, in Hemingford by Hemingford by Hemingford Merc. Co., in Hoffland by Mallory Grocery Co.
